

PMC Winter Cycle Fact Sheet

About PMC Winter Cycle:

The PMC Winter Cycle, a spoke in the wheel of the [Pan-Mass Challenge](#) (PMC) that kicks off its yearly fundraising campaign, is a charitable spin event in Boston at Fenway Park. The PMC Winter Cycle is comprised of five 45-minute rides led by popular local spin instructors and brings together hundreds of people of varying athletic ability, who channel physical, mental and emotional energy to fight cancer by raising money for Dana-Farber Cancer Institute (Dana-Farber).

As the first-ever spin event held at Fenway Park, the PMC Winter Cycle holds high-energy cycling sessions led by top Boston instructors. In 2023, the event is moving to The 521 Overlook, located in center field, offering participants an iconic view of Fenway Park as they ride.

This year's PMC Winter Cycle has a fundraising goal of \$750,000, which will kickstart the PMC's 2023 fundraising efforts. As with all PMC cycling events, 100% of every rider-raised dollar will directly benefit lifesaving cancer research and treatment as part of the PMC's 2023 gift to Dana-Farber. For those who want to participate in the ride, there is a non-refundable \$50 registration fee and a \$500 fundraising minimum per session. To become a top fundraiser or Pacesetter, participants must raise at least \$1,000. All fundraising minimums must be met by March 1, 2023.

To learn more about PMC Winter Cycle and to register for this year's event, visit <https://wintercycle.pmc.org/>.
