

How You Help the Jimmy Fund Defy Cancer

Your donation adds up.

Here are some examples of how donations from the PMC community could make an impact at Dana-Farber Cancer Institute:

\$25 New toys for pediatric patients in Dana-Farber's Jimmy Fund Clinic

\$50 Art and music therapy for pediatric patients and their caregivers

\$75 Support for a program to help pediatric patients transition back to school

\$100 Access to patient and family education resources

\$150 Support programs for pediatric patients and families

\$250 Genetic screening for one patient as part of Dana-Farber's Profile project

\$500 Support for a breakthrough clinical trial

Everyone in our community is an important partner in Dana-Farber Cancer Institute's mission to prevent, treat, and defy cancer. When you contribute to the Jimmy Fund, you are supporting adults and children with cancer, and funding the brightest minds and committed caregivers. Each donation, no matter its size, adds up to provide patients with compassionate, personalized care, and keeps Dana-Farber at the forefront of cancer medicine.

As a community, we have the power to create a more hopeful, cancer-free future—in Boston and around the world. Together, we're all Jimmy, and we can defy cancer at every turn.
